

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF LOUISIANA

JUNIOR CERDES, INDIVIDUALLY AND ON BEHALF OF OTHERS SIMILARLY SITUATED	*	CIVIL ACTION
	*	
VERSUS	*	NO. 06-922
	*	
CUMMINS DIESEL SALES CORPORATION, ET AL.	*	SECTION "B" (4)

JUDGMENT

On July 27, 2009, the Court issued an Order (Rec. Doc. No. 111) approving of the final settlement agreed to by the parties. Entry of a final judgment is therefore proper because the July 27, 2009 Order resolved all claims in the present action, with the exception of the incentive award and attorney fees and costs—to be reserved by the Court with retention of jurisdiction for the purpose of determining these amounts. Accordingly,

IT IS ORDERED that there be a judgment on the merits entered in accordance with the Order Approving Final Settlement (Rec. Doc. No. 111), with the Court retaining jurisdiction to enforce the July 27, 2009 Order, approving final settlement, as well as retaining jurisdiction relative to the incentive award and attorneys fees and costs.

New Orleans, Louisiana, this 26th day of October, 2009.
